### ABOUT ME

I am pursuing a Master's in Artificial Intelligence at FAU Erlangen-Nuremberg. A results-driven IT professional with over 4 years of experience in Flutter App Development, DevOps, Testing, DotNet Core 6, and Machine Learning. I have successfully led and delivered over 20 projects, ensuring high-quality outcomes through rigorous DevOps and testing practices. My portfolio includes complex data-driven applications that leverage real-time data processing and advanced analytics, all developed with a focus on robust testing and deployment methodologies. With over 20 certifications from prestigious institutions like Cisco, Microsoft, Stanford, and Certiport, along with a track record as a Campus Gold Medalist from COMSATS University Islamabad, I am dedicated to leveraging technology to drive impactful and reliable solutions.
