Dear Irtisam

Thank you for registering for the **Microsoft Skills for Jobs Microdegree Program** at **Hazza Institute of Technology**. We have successfully received your submission.

Welcome to the future of professional tech education. A joint initiative by Microsoft in partnership with KAMK University Finland, leading EU Universities, and Global Mentor Tech Companies.

The Microdegree Programs offer professional certifications in high-demand tech fields. It is designed to fast-track Pakistani talent into quality international and local tech careers, addressing the global IT skills shortage and providing a pathway to EU universities.

Microsoft Skills for Jobs Microdegree Study Program Fee:

1. Cloud and Cybersecurity PKR 149,000.00
2. Power Platform PKR 149,000.00
3. AI Developer PKR 149,000.00
4. Data Engineer PKR 149,000.00
5. Data Analyst PKR 149,000.00
