We have wide range of course according to the market need.

About Program

The Information Technology Department of Gilgit & Baltistan is opening doors in collaboration with Hazza Institute of Technology for Computer Sciences and Information Technology enthusiasts to experience the most in-demand technologies in today's digital world. Some of Pakistan's leading technology companies are joining hands to ensure that every individual gets a fair chance in sharing their future and the future of the country. So, embrace the future today, take the leap forward, and let technological advancements shape your future for the better. Take control of your present and become a future Entrepreneur, Techpreneur, or Technology Guru.
